

4/25/02

Karyl called 4/23/02 asking if
we had ever been requested to send
Full-transcripts on AAL7.7 + UAL9.3,
and who Okayed partial transcripts..

Shaved cc: mail. They want 205 + 210.
to do Full-transcripts by 4/30/02.

Karyl called back 4/25/02 after
talking to HDQ (Jeff Myers). She put
"really let them have it" according
to her.

Outcome: Don't need them for the
accident phy.

Probably, will need them for litigation.

She's talking to Wayne Peice Tomorrow
(or Monday)
and will let us know next week.

We'll probably have to do them but
will have more time. Shall let us
know.

Hi Bill,

TRANSCRIPTS: I called Karyl back and shared that Eastern Region okayed Partial Transcripts 11/7/01. She is going to put up a fight about ZOB & ZID doing full-transcripts when she talks to HDQ tomorrow. She doesn't hold out much hope, but she'll try. I mentioned the overtime issue. She said that the RO can't support it either and she'll bring it up. I thought Arnie completed an ROC reference the telecon that was held with HDQ, RO and all Facilities involved where HDQ okayed Partial Transcripts for us when we talked about the Services Normal Statements. I could not find it. I left Arnie a message. Karyl said she'd call tomorrow and let us know the outcome.

~~SATORIS: Randy requested both SAR tapes for the SATORIS TD wanted. I picked them both up and put them on Randy's desk. I think the plan is for Mark Batic to load them in the morning. The Tape Room has the voice tape requests.~~

~~74CC: I will work on Mr. Myers request tomorrow.~~

Have a great day, Renea

KARYL,

Indianapolis Center's support data for the subject accident package will be mailed ~~today~~ via FedEx to Mr. Glen R. Trautner at ZDC. The tracking # is (b) (2) High

We sent a copy of the Certified Index , and copies of Personnel Statements and Partial Transcripts.

I talked to Glen this afternoon, advised him the above material would be sent overnight and if there was anything wrong with it, or something else was needed to contact me and we would work it out.
